Machine Certificates Download – How to Guide

The new Fairfax Plant Hire website provides easy-to-use access to the latest machine certificates, including LOLER and pre-hire inspection checks, for plant equipment on hire. You can find us at https://fairfaxhire.co.uk.

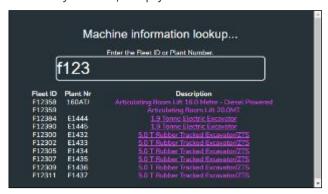

1. Once on our site, find the **MACHINE CERTIFICATION** button, at the top of every page.

2. A box will pop-up where you can enter the Fleet ID or Plant No for the machine you are interested in. As you type, the search tool will offer you suggested plant items to help make your search quicker. When you see you item, simply click on it...

3. Now you will see the latest certification available for your machine.

   Simply click on the relevant links to download your chosen certificate in PDF format.

As ever, if you need help or any further information, please do not hesitate to call us on 0330 119 8555.
