

Environmental Policy Statement

Fairfax Plant Hire Ltd is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Provide environmental training and awareness to all employees.
- Meet or exceed all the environmental legislation that relates to the Company.
- Use an accredited program to offset the greenhouse gas emissions generated by our activities.
- Seek to minimise the use of energy, materials and natural resources.

These key points are defined and communicated as part of the companies Health, Safety, Quality and Environmental systems
